

What are the most common reasons for delays and breakdowns?

Count of Reason	Column Labels	
Row Labels	Breakdown	Grand Total
Delayed by School	12	12
Late return from Field Trip	16	16
Weather Conditions	41	41
Problem Run	48	48
Heavy Traffic	279	279
Accident	290	290
Other	1674	1674
Flat Tire	2499	2499
Won't Start	2970	2970
Mechanical Problem	10399	10399
Grand Total	18228	18228

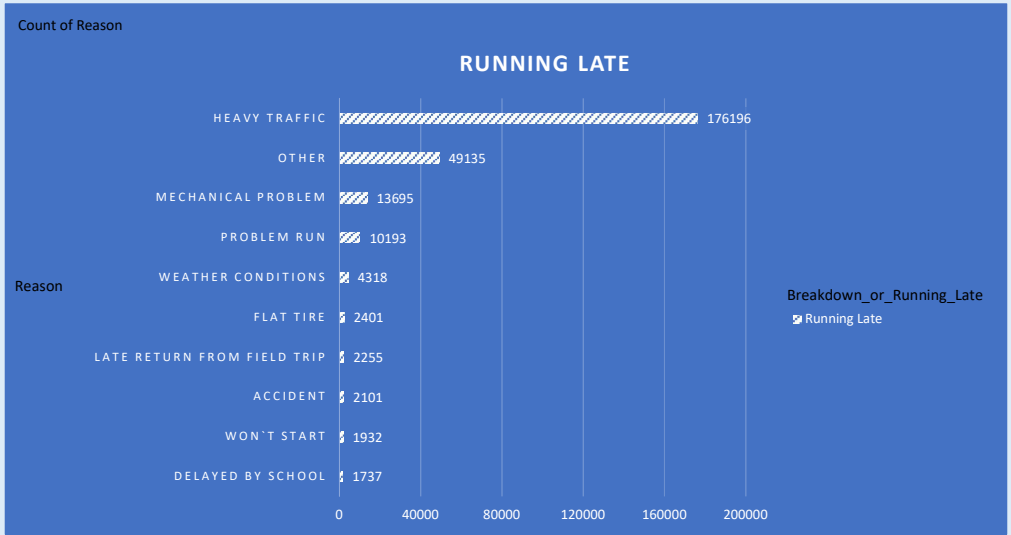

Findings

The majority of breakdowns are happening due to the Mechanical Problems or "Wont Start" - which is also a Mechanical Probleom.

Recommendation: More maintainance needed to prevent Mechanical Problems. Potentially have buses in regular intervals to reduce the issues.

Count of Reason	Column Labels	
Row Labels	Running Late	Grand Total
Delayed by School	1737	1737
Won't Start	1932	1932
Accident	2101	2101
Late return from Field Trip	2255	2255
Flat Tire	2401	2401
Weather Conditions	4318	4318
Problem Run	10193	10193
Mechanical Problem	13695	13695
Other	49135	49135
Heavy Traffic	176196	176196
Grand Total	263963	263963

Findings

The majority of Running-Late are happening due to the Heavy Traffic and 2nd most is "Other" which may or may not be a traffic. Need to get more data for this.

Recommendation: Need better traffic management from bus companies in terms of commuting through rush hours or peak hours.
